### Lynn Gillespie (Owner)

In 2016 I purchased GoalLine Careers from Janine Arnerich and Gary McAuliffe.

I have been working in the Careers and Transition area since 1994 including 10 years as Head of Career Development at Rotorua Girls' High School. For the next 10 years I was Youth Guarantee Programme Manager for Career NetWork in Rotorua. I am a qualified secondary school teacher, a member of CDANZ and, currently, Waiariki representative on the National Executive of the Careers and Transition Education Association (C.A.T.E.)

## 1. My Career Plan for Juniors

Give your students the very best career workbook available – your students deserve it. This is a critical stage in their career development, and this workbook is up to the challenge. This highly interactive workbook is the most widely used career resource of its kind in New Zealand schools.

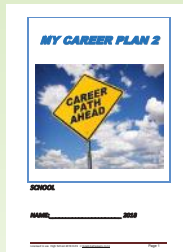

**\$170 Annual Master  
or \$4.50 each**

## 2. My Career Plan 2 for Seniors

Now you can offer your senior students a Career workbook and award credits towards NCEA. This workbook incorporates 3 unit standards worth 8 credits and follows a logical sequence covering all PC's.

- 10781: Produce a plan for own future directions (L2 C3)
- 12383: Explore career options and their implications (L2 C3)
- 7121: Demonstrate skills to search, access and select information (L1 Cr2)

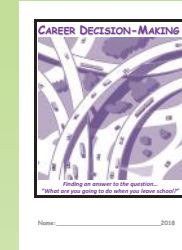

**\$170 Annual Master**

## 3. Career Decision Making

The Career Decision Making workbook is designed for Year 11-13 students, particularly those who need support in this area. Because it is not unit standard based, the teacher can utilise the whole workbook or focus on specific activities, depending on the needs of the student(s). You are also able to set the depth of responses, depending on the ability level of the student(s). It is suitable for full class or individual student use and could be delivered by other teachers (for example during a house group period/form time) as part of a school-wide careers programme.

- Topics covered in the workbook include:
- Decision making
  - Personal qualities, interests and work values
  - Occupational types
  - Barriers to options
  - Case studies
  - Selection and development of options
  - Evaluation of decisions

The full package includes Teacher Notes.

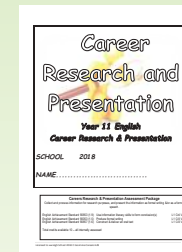

**\$170 Annual Master**

## 4. Year 11 Career Research English Unit.
